

## David Wesley Lytton

January 4, 1957 - March 17, 2019

David Wesley Lytton, 62, of Statesville, passed away unexpectedly on Sunday, March 17, 2019 at Iredell Memorial Hospital.

David was born in Iredell County on January 4, 1957 and was the son of the late Lewis Wesley Lytton and Patricia Josey Lytton. He was a graduate of Statesville High School. David was a member of Monticello Baptist Church.

David, simply put, loved motorcycles. He loved the wind on his face, the rumble of the engine, the smell of the fuel and the untamable power. David loved working on motorcycles and building drag bikes. He was former co-owner/operator of Nitro Shack but was currently employed with STE Powersports.

David also had a side of him that made him the type of friend you want to be around. He loved helping people and David had lots of friends. He also had a love for animals. All this paled in comparison to the love he had for family. David will be missed by all who knew him.

David is survived by his son, Wesley Lytton and his daughter, Crystal Marie Lytton (Brian Fox) and two sisters, Cindy Chapman (Rusty) and Tina Johnson (Scott) and his best friend, Clyde Eller. He is also survived by two grandchildren, Paris Elizabeth and Ethan Charles King. He is further survived by three nephews, Shane Cashion, Cody Chapman and Matthew Johnson and two nieces, Kaylyn Chapman and Stephanie Bason (Aaron). David is also survived by his extended family, his motorcycle family.

A celebration of life honoring the life of David Lytton will be conducted at 2:00 PM Sunday, March 24 at Beulah Baptist Church with Rev. Brian Burgess officiating. The family will visit with friends starting at 1:00 PM prior to the service.

Memorials may be made to the Wesley Lytton Educational Fund, c/o Cindy Chapman, 137 Gaymont Circle, Statesville, NC 28625.

Online condolences can be made to the family at [www.nicholsonfunerals.com](http://www.nicholsonfunerals.com) and Nicholson Funeral Home is serving the family of David Lytton.

“ To my second family. I claim this due to the fact that David and I were born a couple of days apart and are mothers were at the hospital during the time that we we born. I remember all the times we had as youngsters sleeping over and going to church together. We only lived a block apart so we spent a lot of time together. We once shared a golden lab which we adopted and named yeller after the movie old yellow. After awhile are dog went missing and we found out that the pound had him. We didn't have money to get him out so Wesley let us work at the gas station for a couple of weeks so we could pay to get yeller out. Your dad and Patsy were great and I miss them dearly. I remember going to your grandparents house many times on Sunday afternoons after church. We had some great times! Although I kinda lost touch over the years with you girls, David and I seen each other more often. We were blessed enough to get together and celebrate our big 60th birthday a couple of years ago! What a time we had !!! I never realized that we wouldn't be able to do it again for our 65th. So sad David was to young. What a shocker and a loss to us all. I can't get over it. Riding on angels wings now my brother. You are deeply missed here but forever on our minds and in our hearts. We love you brother! Till we meet again on golden shores your blood brother, Mike Mayberry

“ Tina and Cindy, I want to express my deepest sympathy on the loss of brother David. I remember the good times we had on Woodlawn Dr. playing hiding-go-seek, jumping through your mother's favorite bushes, and playing in the woods across the street. I didn't get to talk to David after we all grew up only seen him riding his Harley once in awhile. I also remember going with Neven to visit the Lytton family at the lake playing basketball in the barn loft. David will be truly missed by all who knew him. He's always been a good friend and came from a great family. God bless you all.

Sincerely,

“ We met David when we purchased the Lytton property at 273 Delight Loop, in Statesville. David stopped by several times after that to see how we were doing with the Remodeling, and enjoyed his visits. We are going to miss his visits. We would like to send our Sincere Condolences, to the Living Family, and Friends, for your loss.  
GOD BLESS

“ I first met David back in '77 and he was introduced to me as "The Swede" by my brother. I thought "that is such a cool nickname". David was such a towering man but was a gentle giant. He was such a good friend to my brother and I hope he knew how much it was appreciated. Tina and Cindy I am so sorry for your loss. To his children and grandchildren, be proud to have been a part of his life. He will be missed. I know someday we will hear thunder and there won't be a cloud in the sky. It will be David and his friends that he has rounded up taking a ride. RIP Swede! RIDE IN PEACE!

“ David was such a pleasure to talk to, always happy and smiling. Ran into him when his dad was sick with Alzheimer's and we shared our stories of our dads. Talked in middle of grocery store for hour or so. Statesville has lost one of the best! So sorry for all his family and closest friends.

“ I first met David around late 1996. I liked him instantly. In 1997 I blew a head gasket on my shovelhead and instead of going out riding like he could have so easily done he helped me tear it down and replace the gasket. At the time we barely knew one another. That's just the kind of guy he was. You'll be missed friend.
