“ Judy and I planned to meet in Wythville Va. she was coming from Statesville, NC I thought we missed the exit, my nephew Dave was driving me, I was going to stay with Judy and Dan for a few days. We pulled off at an exit stopped at a gas station. I got out to call Judy she answered right away. I said where are you, she said turn around she was right behind me as they had stopped at the same exit and gas station. We sure laughed about that. Judy and I have been friends since grade school and have had many laughs together. I will truly miss her so much, she has helped me through so many difficult times, I have always loved her so much. My thoughts and prayers are with everyone, I am so very sorry.

“ Judy, Brandy and Dan became a part of our family by their daughter and sister (Dena) marrying our brother. They attended many family gatherings. The most memorable gathering was early Christmas morning Dan and Judy came dressed as Elves, it was so fun to always be in their presence.

We will miss Judy but know she is at rest.

“ Steve and I are so sorry to hear of Judy's passing. She was our wonderful neighbor for many years, before we moved. She was such a good person and I always enjoyed seeing her and chatting about her grandchildren and very smart dogs...She will be missed.
